

Irregular Verbs – Verbos Irregulares:

There are about 200 irregular verbs in English (that's a lot, isn't it?) A good way to learn irregular verbs is to divide them and study them in groups because as they are similar, they're easier to remember.

Hay alrededor de 200 verbos irregulares en inglés (eso es mucho, ¿no?) Una buena forma de aprender los verbos irregulares es dividirlos y estudiarlos en grupos porque, como son similares, son más fáciles de recordar.

We can divide these into four types and here we have some examples:

Podemos dividirlos en cuatro tipos y aquí tenemos algunos ejemplos:

1 Verbs which have the same base form, past simple and past participle.

Verbos que tienen la misma forma base, pasado simple y participio pasado.
